

1 Sending a Screenshot

If the teacher would like a quick snapshot of the work you've been doing on your LearnPad, take a screenshot using the button at the bottom left of the screen.

2

Swipe down from the top of the screen and look for and press the Share icon.

1 Sending from your Gallery

Have you taken a great photo or video, or exported a fantastic animation? You can send this to your teacher too.

2

Open the image or video in the Gallery and look in the top right of the screen.

1 Sending a File

Other types of files can also be sent to ClassCloud easily. Make sure to save them first in LearnPad Office Suite.

2

Find the file in the Documents folder and press and hold on it to launch a black bar along the top of the screen.

3 NOW TAP THE CLOUD TO SHARE
